

APRIL 2024

**IN THE
DAYS OF FAMINE
I SHALL BE
SATISFIED**

— *Ps 37:18-19*

I strongly believe that we have all received a fresh release of the spirit of servanthood that will enable us to keep serving God and the interest of His kingdom all through the days of our lives, thereby keeping us under the blessings of an open heaven, and may the encounter of each one continue to keep us on the path of acceptable stewardship all through the day of our lives in the name of Jesus Christ. Amen.

But what is the Holy Ghost saying for the month of April 2024?

On the 26th August 1987, while away on a mission trip to the United States the Holy Ghost instructed me saying, “Get back home and make my people rich”.

This is why I believe that the subject of financial prosperity is not just a doctrine in this commission, but a divine mandate.

However, as we are all aware, the world is presently facing the worst global economic challenges in history. But God has a plan in place to exempt His people as He did for the Israelites in the land of Egypt. While Egypt was facing severe famine and economic meltdown, Israel was divinely exempted from the economic woes of the time. — *Gen. 47:15-27*

This goes to establish the fact that God will always exempt His people in the time of trouble — *Is. 43:1-2*

We saw another graphic illustration of exemption in scriptures, where prophet Malachi called God's people back to covenant practice of tithing and offering, so as to keep the windows of heaven opened for continuous supplies and to rebuke the devourer for their sakes. — *Mal.3:6-18/Mal. 4:1-2*

From the two instances here listed, God is committed to exempt His covenant people from these hard times.

Therefore, the prophetic focus for the month of April 2024 is:

IN THE DAYS OF FAMINE, I SHALL BE SATISFIED
— *Ps 37:18-19*

All through this month, we shall be exploring the secret of supernatural blessings in hard times. We must all therefore get spiritually set to access the realms of financial fortune this month, that will keep speaking all through the remaining days of our lives.

May we all receive grace to be steadfast in our covenant practice of seed time and harvest, so that we shall begin to enjoy financial favour that will differentiate us from the rest of the world — *Deut. 8:18*

Recommended books of the month authored by me include:

Remain ever blessed!
