

Delivered from Ritual Killers!

"I was kidnapped by a ritual killer, as I opened my eyes between 10 and 10:30am, I found myself in the bush with my legs tied and about 17 other people tied there with me. Also, towards my left, I saw dead people with 1000- and 500-naira notes coming out of them. I was afraid and started shouting, 'Jesus! Jesus!' With this, the herbalist instructed one of his men to give me a drink that would silence me. Thereafter, my daughter was taken from me by one of the men. In desperation, I threw my handbag at the man who took my baby. Immediately, the Shiloh flyer that was in the bag fell on the floor and suddenly Bishop Oyedepo started speaking in tongues from the picture. All 15 ritualist fell down; including the one carrying my child.

I took a knife from the ground and cut myself and the other seventeen people loose.

I prayed, 'God of Bishop Oyedepo, if You are the One that has been using him to deliver people, take me away from this bush.' Suddenly, I saw 20 ritualists coming in my direction and there was no hideout. Miraculously, they ran past me because God hid me from them! God supernaturally led me to the road. My husband came and I was taken to the Pastor for prayers. I thank the God of Oyedepo, the God of Shiloh and the Almighty God for what He did for me!" —Victoria Emmanuel

WE ENJOY PROPHETIC COVERING HERE AT WINNERS

Prophetic covering is not new, it has been part of God's agenda for ages. For example, by a prophet the Lord rescued the Children of Israel out of Egypt According to scripture, – And by a prophet the LORD brought Israel out of Egypt, and by a prophet was he preserved. — *Hos. 12:13*

As long as the children of Israel were baptized unto Moses, they were preserved — *1 Cor 10:1-5*

We saw how David ran for cover under prophet Samuel, so the hand of King Saul, his arch-enemy and his messengers could not gain access to him — *1Sam. 19:18-24*

We also saw how Paul, a prophet, and all that sailed with him were delivered from a shipwreck — *Act. 13:1-5/ Act. 27:20-25*

Remember, he that receives a prophet in the name of a prophet shall enjoy a prophetic covering — *Mat. 10:41*

The good news is that God still has prophets in the body of Christ today and I am only privileged to be one of them by a pure election of grace — *Eph. 4:8-11*.

The following testimonies validate the reality of prophetic covering among us in the Winners' family.

Rescued from Hired Assassin!

'A customer called me to deliver some goods for him and that his brother will direct me. I did, and the brother asked me to take a bike to a junction, and I did. I met with him, and he took me through a path that looked like a forest. Suddenly, he stopped, and four armed men came out of the bush with AK-47 and machetes. One of them told me the man that asked me to come sent them to kill me. Then he shot at me at close range, but the gun did not respond. The other three opened fire, and the same thing happened. They also used a machete on me, but it was as if it was landing on a water plastic because I could not feel it.

When their leader came out of the bush, he asked them to collect my phone, and he searched through my pictures. Then he saw Bishop David Oyedepo's picture and asked if I am a winner, and I said yes, then he said you Winners are not human beings, but a 'gods' and they left. I came out of it all with no scratch. I give God all the glory!' — *Augustine Ogbeche*

The God of Oyedepo Showed Up!

'I heard some strange noises outside our apartment, I decided to put off the generator so I could trail the source of the noise. As soon as I did, I was surrounded by six armed men, and they ordered me to lead them to my apartment. However, I started shouting, "God of Oyedepo, show yourself!" Then one of them told me to

keep quiet; otherwise, he would shoot me, but I told him he would not shoot me unless he wanted to die. So, while we walked to my apartment, I kept shouting, "God of Oyedepo, show yourself!" As we got to my door, they dropped their guns and the things they brought from the previous raids and started begging me to stop shouting or calling the "God of Oyedepo" again. Then they left, and immediately they did, people trooped into the compound to witness the miracle!' — *Samuel Ikpeam*

Audio Message Stops Robbery Operation!

"On January 4, I boarded a bus from Jos to Delta State at about 7:30 p.m. As we proceeded, I was listening to Shiloh 2009 messages by the bishop.

Immediately we got to Lokoja, armed robbers struck and entered into our vehicle. As I tried to switch off the message, the earpiece I was using disconnected from the phone. So, the message was loud enough, as the bishop was speaking in tongues. One of the robbers asked, 'Who is playing that music?' I replied that it was not music, but a message. He then asked me who was speaking in the message. I told him it was Bishop Oyedepo. Immediately, I heard one of the robbers say that they won't operate again! The gang leader came to me and asked for the message. He took the message from me, and my phone number. A week later, he called me and introduced himself as the robber who took my phone number and Bishop's message. He thanked me for the message and asked me how he could get more messages. I told him to locate any of our Churches near him, for more messages. I thank God for delivering me from armed robbers!" — *Sunday, O. S.*
