**Jesus said; “and other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd” — Jhn. 10:16**

- ✓ **A wounded man must be helped to get access his rescue — Luk. 10:30-36**
- **Helping the needy brings believers into favour with God — Pro. 28:27**
- **It secures the glorious destiny of believers — Psa. 41:1-3**
- **Whatever is done for the needy is done for God — Pro. 19:17/ Matt. 25:31-40**

- **As many as are blessed by God should endeavour to take advantage of this opportunity — Phil. 4:10/ Pro. 10:5**
- **Those who are able to pay for one or more new converts and challenged members in the zones should do so with joy and as a privilege.**
- **Those who can hire a bus or more to convey new converts and challenged members to church should go ahead, doing it with joy.**

- For example, we have well over 1,000 zones with loading bays across Lagos and Ota
- Individuals who can afford this should cross-check from the various zonal centres to know how much it costs to hire a bus to convey people to church.

I was doing it faithfully and joyfully, but after some time, I had a challenge that want to affected the transport arrangements. I then prayed for God's help. God surprised me and I was able to continue taking people to church for free. After a while, God saw my faithfulness and blessed me with another bus.
