

time manifesting the giving grace that unleashes financial fortune on our lives both as a church and as individuals

To the glory of God, prosperity has been the global identity of this church today

Thirdly, the supernatural has been our natural lifestyle both as a commission and as individuals through the ministry of the Holy Spirit, a lifestyle of thanksgiving and praise and a consciousness of the supernatural estate of the Redeemed

Therefore, without any doubt, this church is ordained a change of story platform for the world

Every member of this flock should expect his or her story to keep changing from glory to glory as such individuals commit to the teachings of the Word from our altar, and engage with obedience of faith to Holy Ghost-inspired instructions particularly as it has to do with Kingdom Advancement Endeavours

If anyone will do this dedicatedly for the next 3 months, it will change the way such individuals think, their outlook to life, and the passion of such individual for God and the interest of His kingdom will obviously change level — *2 Sam.6:11*

This year shall surely be a dawning of a new day for every member of this church that chooses to. In the name of Jesus Christ

Jesus is Lord!

Just like every restaurant has its specialties, and people go to such restaurants the menu they believe they are specialized in making

In the same vein, God has allocated specific spiritual deposits to every church, with which the shepherd has a covenant responsibility to feed the flock — *Matt. 24:45-47*

Every house of God has some specific blessings for the flock that gathers — *Psa. 65:4*

That is, every ministry is sent with message(s); with which they feed the flock — *Isa. 40:6*

It is holding fast to such message(s) that commits God to confirm His word in the lives of the flock — *Mak. 16:20*

Such specific message(s) is what the bible refers to as the sent word, which is always confirmed into testimonies — *Jon. 3:1-10/ Psa. 107:20*

This commission has a 3-fold message from the Lord, this includes:

1. The Word of faith; which came along with the Mandate, when God said to me, “The hour has come to liberate the world from all oppression of the devil, through the preaching of the word of faith, and I am sending you to undertake this task”. This came at the end of an 18-hour-long vision — **May 1 & 2, 1981**

2. The Word of prosperity; I was away outside the country, when God commanded me to, “get back home and make my people rich; this came **Aug. 26, 1987**

3. The Word of signs and wonders; one early morning, I was in God’s presence, when He said to me, “It is time for change, it is the era of signs and wonders of a higher order, usher in this new era with me, as I launch you into the apostolic phase of your ministry for pacesetting”; this came **June 29, 1992**

Furthermore, by the inspiration of the Holy Ghost while asking what are the other spiritual virtues required for the full delivery of above state 3 anchor messages of the commission, it is this question that gave birth to what we now call the 12 pillars of the commission, with each of the 3 anchor messages having 3 other scriptural supporting pillars as here listed:

1. The Word of faith is made up of:

- ✓ Faith
- ✓ The Word
- ✓ Prayer
- ✓ Consecration

2. The Word of prosperity is made up of:

- ✓ Financial Prosperity
- ✓ Vision
- ✓ Wisdom
- ✓ Success

3. The Word of signs and wonders is made up of:

- ✓ The Supernatural
- ✓ The Holy Spirit
- ✓ Healing
- ✓ Praise

These 12-Pillars have today become the identity of this commission and individual members globally

This appears to align with the tree of life that bears 12 manners of fruits and yielded her fruit every month — *Rev. 22:2*

Therefore, for anyone connected to this commission in truth and in deed, these 12 scriptural pillars shall continue to manifest in the life of such individuals

For example, a delightful commitment to growing in faith, growing in the knowledge of God and His Word, engagement in fervent prayer, particularly Kingdom Advancement Prayers, and a commitment to living a life that pleases God as a way of life

Again, every genuinely committed member of this church is committed to seeking God’s plan for his life, noting that our future is in God’s plan and not in our plan, delightful commitment to a lifestyle of discipline, diligence, and sacrifice which is the wisdom behind successful living, while at the same
